MALLA REDDY UNIVERSITY

Telangana State Private Universities (Establishment and Regulations) (Amendment) Act No.13 of 2020 G.O.No.Ms.14, Higher Education (UE) Department, Telangana State

Maisammaguda, Kompally, Hyderabad - 500 100, Telangana State

BACHELOR OF TECHNOLOGY

UNDERGRADUATE PROGRAM

ACADEMIC REGULATIONS

(Academic Year 2023 - 2024)

Note: *The regulations hereunder are subject to amendments as may be made by the Academic Council of the University from time to time. Any or all such amendments will be effective from such date and to such batches of candidates (including those already pursuing the program) as may be decided by the Academic Council.*

PRELIMINARY DEFINITIONS AND NOMENCLATURES

- "University" means Malla Reddy University designated as Telangana State Private Universities (Establishment and Regulations) (Amendment) Act No.13 of 2020 & G.O.No.Ms.14, Higher Education (UE) Department, Telangana State Maisammaguda, Kompally, Hyderabad – 500 100.
- "Academic Autonomy" means freedom to an University in all aspects of conducting its academic programs for promoting excellence.
- "Commission" means University Grants Commission.
- "AICTE" means All India Council for Technical Education.
- "Program" means:
  - Bachelor of Technology (UG) - B.Tech Program
  - Bachelor of Technology (UG) - B.Tech (Hons) Program
- "Branch" means specialization in a program like B.Tech degree program in - Computer Science and Engineering, Electronics & Communication Engineering, etc.
- "Course" or "Subject" means a theory or practical subject, identified by its course – number and course-title, which is normally studied in a semester.
- **L** - Theory, **T** - Tutorial, **P** - Practical, **D** - Drawing, **C** - Credits

VISION | MISSION |QUALITY POLICY

VISION

To be a world class university visualizing a great future for the young aspirants, with innovative nature, research culture and ethical sensitivities to meet the global challenges towards improving the quality of human life.

MISSION

- To impart value based futuristic higher education molding students into globally competent empowered youth, rich in culture and ethics along with contemporary professional expertise.
- To promote innovation, entrepreneurship, research and development for the broad purpose of fulfilling societal goals such as societal welfare and benefit.

QUALITY POLICY

- To pursue continual improvement of teaching learning process of Undergraduate, Post Graduate programs and Research Programs vigorously.
- To provide state of the art infrastructure and expertise to impart the quality education.
- To groom the students to become intellectually creative and professionally competitive.
- To explore the opportunities in the professional fields.

ACADEMIC REGULATIONS FOR B. TECH. (REGULAR)

Applicable for the students of B.Tech. (Regular) from the Academic Year 2023-24 and onwards.

The Malla Reddy University offers a 4-year (8 semesters) Bachelor of Technology (B.Tech.) degree program, under Choice Based Credit System (CBCS) for the programs of Engineering and Technology specified in section 3.0.

1.0 Award of B. Tech. Degree

A student will be declared eligible for the award of B. Tech. Degree, if he fulfills the following academic regulations:

1.1 The candidate shall pursue a course of study for not less than four academic years and degree is to be completed in a maximum duration of 8 years.

1.2 The candidate shall register for 166 credits and secure 160 credits to get eligibility for receiving B.Tech degree.

1.3 The candidate shall register for 186 credits and secure 180 credits to get eligibility for receiving B.Tech degree with honors.

1.4 In addition to 1.2 and 1.3, the candidate has to register for Mandatory Audit courses (Non-credit courses), in which 50% of scoring is required for the award of the degree.

1.5 After eight academic years of course of study, the candidate is permitted to take the examination for two more years.

2.0. Forfeiting of Degree

The students, who fail to fulfill all the academic requirements for the award of the degree within ten academic years from the year of their admission, shall forfeit their eligibility to receive the degree in B. Tech. course.

3.0 Courses of study

The following courses of study are offered at present as specializations for the B. Tech. Courses:

S No	Department
01	Computer Science Engineering (CSE)
02	Artificial Intelligence and Machine Learning (AI & ML)
03	Data Science (DS)
04	Internet of Things (IoT)
05	Cyber Security (CS)
06	Information Technology (IT)
07	Blockchain Technologies (BT)
08	Augmented Reality & Virtual Reality (AR & VR)
09	3D Printing and Design
10	Robotics

4.0 Credits

Particulars	Semester	
	Hours per Week	Credits
Theory	04	04
	03	03
Practical	02	01
	03	1.5
	04	02
Idea Creation	04	02
Project Thesis & Development	16	08

5.0 Distribution and Weightage of Marks

5.1 The performance of a student in each semester shall be evaluated subject-wise for a maximum of 100 marks. In addition, Idea Creation, Startup Innovation and Entrepreneurship shall be evaluated for 100 marks each respectively and major project work for 300 marks.

5.2 For each subject the distribution of 100 marks for evaluation is shown below in the table.

S No	Type of Evaluation	Max Marks
1	Minor-1	15
2	Minor-2	15
3	Attendance / Assignments / Professional Behavior	10
4	Practical's / Case Study / Problem Solving	20

5	End Semester Examinations	40

5.3 The Minor-1 and Minor-2 examination paper contain 4 questions out of which, the student has to answer any 3 questions, each question carrying 5 marks. The duration of the Minor examination is 1 hour 15 minutes.

5.4 Ten (10) marks weightage is given for Assignment, Attendance and Professional behavior.

5.5 Twenty (20) marks weightage is given for Case Studies/Laboratory/Problem solving. For assessment, conduct of viva-voce based on the report submitted by students by involving at least senior faculty members of the concerned departments is mandatory.

5.6 The end semester examination will be conducted for 40 marks with 5 questions from each unit containing one question. For each unit there will be an "either" or "choice", which means that there will be two questions from each unit and the student should answer either of the two questions. Each question carries 8 marks. The duration of end semester examination is 2 hour.

5.7 The student will be declared as pass in the concerned subject if he/she secures 40 marks for a total of 100 marks and not less than 40% of total marks in end semester examination (i.e. minimum of 16 marks out of 40 marks).

5.8 For supplementary examinations, external marks will be scaled to a maximum of 100 Marks

5.9 The UG project shall be initiated at the end of the IV Year I Semester and the duration of the project work is one semester. The student must present Project Stage – I during IV Year I Semester before Minor-2 examinations, in consultation with his Supervisor, the title, objective and plan of action of his Project work to the departmental committee for approval before commencement of IV Year II Semester. Only after obtaining the approval of the departmental committee, the student can start his project work For Project Stage – I, the Project review committee consisting of Head of the Department, project supervisor and a senior faculty member shall approve the project work to begin before Minor-2 examination of IV Year I Semester. The student is deemed to be not eligible to register for the Project work, if he does not submit a report on Project Stage - I or does not make a presentation of the same before the evaluation committee as per schedule. A student who has failed may reappear once for the above evaluation, when it is scheduled again; if he fails in such 'one reappearance' evaluation also, he has to reappear for the same in the next subsequent semester, as and when it is scheduled. For Project Stage – II, the external examiner shall evaluate the project work for 40 marks and the internal project committee shall evaluate it for 60 marks. Out of 60 internal marks, the departmental committee consisting of Head of the Department, Project Supervisor and a Senior Faculty Member shall evaluate the project work for 20 marks and Project Supervisor shall evaluate for 40 marks.

5.10 The sessional marks awarded by the University are subject to scrutiny and scaling by the University wherever necessary. In such cases, the marks awarded by the University will be referred to Academic Council. The Academic Council will arrive at a scaling factor and the marks will be scaled accordingly. The recommendations of the Academic Council are final and binding. The laboratory records and internal test papers shall be preserved in the University as per the Central/State Government rules and produced before the Committees/Academic Council as and when asked for UGC.

6.0 Attendance Requirements

6.1 A student is eligible to write the University examinations only if he/she acquires a minimum of 75% of attendance in aggregate of all the subjects.

6.2 Condonation of shortage of attendance in aggregate up to 10% (≥ 65% and ≤ 75%) in each semester may be granted by the University Academic Committee.

6.3 Shortage of Attendance below 65% in aggregate shall not be condoned without any valid reason.

6.4 Readmitting student has to seek admission 4 weeks prior to the commencement of that particular semester.

6.5 Students, whose shortage of attendance is not condoned in any semester, are not eligible to write their end semester examination of that class and their registration stands invalid.

6.6 A stipulated fee as determined by the examination branch shall be payable towards condonation for shortage of attendance.

6.7 A student will be promoted to the next semester, if he/she satisfies the attendance requirements of the present semester, as and when, after including the days of attendance in sports, games, NCC and NSS activities, internships.

7.0 Course Registration

7.1 Every student has to register for a set of Courses in each Semester, with the total number of their Credits being limited by considering the permissible weekly Contact Hours (typically: 30/Week); For this, an average Course Registration of minimum 17-20 Credits/Semester (e.g., 6-7 Courses) and a maximum of 28 credits are generally acceptable on recommendation of the academic advisor concerned by satisfying the pre-requisite conditions.

7.2 Approval of the Course Registration will be informed by the Head of the Department in the beginning of the semester by taking the number of students registered (minimum **one-third** students per class) and availability of the faculty members into consideration.

7.3 Changing or cancelation of Course Registrations are not permitted after two weeks of the commencement of the class work.

7.4 The Pre-requisite conditions for the additional course(s) registration by the students are based on the slots available in the Time Table, Class rooms and Faculty members availability.

8.0 Minimum Academic Requirements

The following academic requirements have to be fulfilled in addition to the attendance requirements mentioned in item No.6.

8.1 A student is deemed to have satisfied the minimum academic requirements, if he has earned the credits allotted to each subject/project and also secured not less than 40% in end semester examination. The student should secure a minimum 40% of marks in the sum total of the internal continuous evaluation and end semester exams put- together.

8.2 A student shall be promoted from I year to II year upon fulfilling the minimum required attendance.

8.3 A student will be eligible to be promoted from II year to III year, on fulfilling the academic requirements of 50 % credits up to II-year II semester examinations in all regular and supplementary examinations held and secures prescribed minimum attendance in II year.

8.4 A student will be eligible to be promoted from III year to IV year, upon fulfilling the academic requirements of 50 % credits up to III-year II semester examinations in all regular and supplementary examinations held and secures prescribed minimum attendance in III year.

8.5 Students who are either dropped or detained for the want of attendance in any semester, shall need to seek readmission in the same year and semester in which they are dropped or detained, whenever it is offered next time. If the detention is due to want of required credits, such students have to wait to seek rejoining till he/she earns required number of credits by attempting the supplementary examinations. If the regulations are changed at the time of his/her rejoining, he/she will have to study the subjects of new regulations which are in force. For mapping the credits, the substitute subjects shall be recommended by the concerned head of the department and shall be put forth for the approval by the departmental academic council.

8.6 A student shall register and put-up minimum attendance in all 166 credits and shall earn a minimum of 160 credits for the award of B. Tech degree. In addition, marks obtained in the 160 credits shall be considered for the calculation of percentage of marks as well as overall CGPA.

8.7 For the award of B. Tech (Hons) degree, a student shall register for an additional 20 credits which becomes a total of 186 credits and put-up minimum attendance in all 180 credits and shall earn a minimum of 180 credits. Further, marks obtained in the 180 credits shall be considered for the calculation of percentage of marks as well as overall CGPA.

8.8 Students who fail to earn 160/180 credits as indicated in the course structure within 4 academic from the year of their admission, shall forfeit their seat in B.Tech/B.Tech(Hons.) courses and their admission stands cancelled.

9.0 Course pattern

9.1 The entire course of study is for four academic years. I, II, III and IV years, shall be in semester pattern and for 8 semesters.

9.2 A student, who is eligible to appear for the end examination in a subject, but could not attend himself/herself in the end semester examination shall be marked as ABSENT. Such students shall need to appear for the examination whenever it is scheduled next time as supplementary candidate.

9.3 When a student is detained for lack of credits/shortage of attendance, he/she will not be promoted to the next semester for that particular academic year. If the candidate seeks readmission after earning the eligibility, he/she will be considered in the regulation which is in force at the time of readmission. Based on the regulation change, substitute subjects will be recommended by academic council.

10.0 Award of Grades

10.1 Marks will be awarded to indicate the performance of student in each subject, seminar, Application Development/Idea Creation and UG major project. Based on the percentage of marks obtained, a corresponding letter grade shall be given.

10.2 As a measure of the performance of student, a 10-point absolute grading system using the following letter grades (as per UGC/AICTE guidelines) and corresponding percentage of marks shall be followed.

10.3 Letter Grades and Grade Points:

The UGC recommends a 10-point grading system with the following letter grades as given below:

Letter Grade	Points	% of Marks secured in a subject or course (Class Intervals)
A+ (Excellent)	10	90% to 100%
A (Very Good)	9	80% to 89%
B+ (Good)	8	70% to 79%
B (Above Average)	7	60% to 69%
C + (Average)	6	50% to 59%
C (Pass)	5	40% to 49%
F (Fail)	0	Below 40 %
Ab (Absent)	0	-

A student who obtains Grade F has to reappear in the examination as per rules.

10.4 Computation of SGPA and CGPA

The UGC recommends the following procedure to compute the Semester Grade Point Average (SGPA) and Cumulative Grade Point Average (CGPA):

Credit points (CP) = grade point (GP) x credits …. For a course

i. The SGPA is the ratio of sum of the product of the number of credits with the grade points scored by a student in all the courses taken by a student and the sum of the number of credits of all the courses undergone by a student, i.e

$$\mathbf{SGPA\ (S_i) = \Sigma\ (C_i \times G_i) / \Sigma C_i}$$

Where C_i is the number of credits of the ith course and G_i is the grade point scored by the student in the ith course.

ii. The CGPA is also calculated in the same manner taking into account all the courses undergone by a student over all the semesters of a programme, i.e.

$$\mathbf{CGPA = \Sigma\ (C_i \times S_i) / \Sigma\ C_i}$$

Where, S_i is the SGPA of the ith semester and C_i is the total number of credits in that semester.

iii. The SGPA and CGPA shall be rounded off to 2 decimal points and reported in the transcripts.

10.5. A student obtaining 'F' grade in any subject shall be deemed to have 'failed' and is required to reappear as a 'supplementary student' in the semester end examination, as and when offered. In such cases, internal marks in those subjects will remain the same as those obtained earlier.

10.6 A student who has not appeared for examination in any subject '**Ab'** grade will be allocated in that subject, and student shall be considered **'failed'**. Student will be required to reappear as a 'supplementary student' in the semester end examination, as and when offered.

10.7 A letter grade does not indicate any specific percentage of marks secured by the student, but it indicates only the range of percentage of marks.

10.8 A student earns grade point (GP) in each subject/ course, on the basis of the letter grade secured in that subject / course. The corresponding 'credit points' (CP) are computed by multiplying the grade point with credits for that particular subject / course.

Credit points (CP) = grade point (GP) x credits …. For a course

10.9 The student passes the subject / course only when GP ≥**5 ('C' grade or above)**
Illustration of calculation of SGPA

Course/Subject	Credits	Letter Grade	Grade Points	Credit Points
Course 1	4	A+	10	4 x 10 = 40
Course 2	4	B+	8	4 x 8 = 32
Course 3	4	B	7	4 x 7 = 28
Course 4	3	C+	6	3 x 6 = 18
Course 5	3	A	9	3 x 9 = 27
Course 6	3	C+	6	3 x 6 = 18
	21			**163**

SGPA = 163/21 = 7.76

Illustration of calculation of CGPA:

Course/Subject	Credits	Letter Grade	Grade Points	Credit Points
I Year I Semester				
Course 1	4	B+	8	4 x 8 = 32
Course 2	4	A	9	4 x 9 = 36
Course 3	4	C+	6	4 x 6 = 24
Course 4	3	A+	10	3 x 10 = 30
Course 5	3	B	7	3 x 7 = 21
Course 6	3	B+	8	3 x 8 = 24

I Year II Semester				
Course 7	4	B	7	4 x 7 = 28
Course 8	4	A+	10	4 x 10 = 40
Course 9	4	B+	8	4 x 8 = 32
Course 10	3	C+	6	3 x 6 = 18
Course 11	3	C+	6	3 x 6 = 18
Course 12	3	A	9	3 x 9 = 27

	Total Credits = 42			Total Credit Points = 330

CGPA = 330/42 = 7.85

10.10 For merit ranking or comparison purposes or any other listing, **only** the **'rounded off'** values of the CGPA will be used.

10.11 For calculations listed in regulations 10.4 to 10.9, performance in failed subjects/ courses (securing **F** grade) will also be taken into account, and the credits of such subjects/courses will also be included in the multiplications and summations. After passing the failed subject(s) newly secured letter grades will be taken into account for calculation of SGPA and CGPA. However, mandatory courses will not be taken into consideration.

11.0 Passing standards

11.1 Student shall be declared successful or 'passed' in a semester, if student secures a GP ≥ 5 ('C' grade) in every subject /course in that semester (i.e. when student gets an SGPA ≥ 5.00 at the end of that particular semester) and a student shall be declared successful or 'passed' in second division the entire under graduate program, only when gets a CGPA ≥ 5.00 for the award of the degree as required.

11.2 After the completion of each semester, a grade card or grade sheet (or transcript) shall be issued to all the registered students of that semester, indicating the letter grades and credits earned. It will show the details of the courses registered (course code, title, no. of credits, and grade earned etc.), credits earned, SGPA, and CGPA.

12.0 Declaration of results

12.1 Computation of SGPA and CGPA are done using the procedure listed in 10.4 to 10.9.

12.2 For final percentage of formula marks equivalent to the computed final CGPA, the following formula maybe used.

% of Marks = (final CGPA – 0.5) x 10

13.0 Award of Degree

In assessing the performance of the students in examinations, the usual approach is to award marks based on the examinations conducted at various stages (Minor, end-semester etc.,) in a semester. As per UGC guidelines, the following system is implemented in awarding the grades and CGPA under the **Choice Based Credit System (CBCS).**

13.1 A student shall register and put-up minimum attendance in all 166 credits for the award of B.Tech degree. Further, marks obtained in the 160 credits shall be considered for the calculation of percentage of marks as well as overall CGPA ≥ 5.0, within 8 academic years from the date of commencement of the first academic year, shall be declared to have '**qualified'** for the award of the B.Tech. Degree in the chosen branch of Engineering as selected at the time of admission.

13.2 A student who qualifies for the award of the degree as listed in 13.1 shall be placed in the following classes.

13.3 Students with final CGPA (at the end of the under graduate program) ≥ 7.50 shall be placed in **'first class with distinction'**.

13.4 Students with final CGPA (at the end of the under graduate program) ≥ 6.50 but <7

.50 shall be placed in **'first class'**.

13.5 Students with final CGPA (at the end of the under graduate program) ≥5.50 and < 6.50 shall be placed in 'Second class/Pass class'.

13.6 Students with final CGPA (at the end of the under graduate program) ≥ 5.0 and < 5.50 shall be placed in 'Pass'.

13.7 A student with final CGPA (at the end of the under graduate program) < 5.00 will not be eligible for the award of the degree.

13.8 Students fulfilling the conditions listed under item 13.3 alone will be eligible for award of 'university **rank'** and **'gold medal'.**

14.0 Withholding of results

14.1 If the student has not paid the fees to the university at any stage, or has dues pending due to any reason whatsoever, or if any case of indiscipline is pending, the result of the student may be withheld, and student will not be allowed to go into the next higher semester. The award or issue of the degree may also be withheld in such cases.

15.0 Transitory Regulations

15.1 A student who has discontinued for any reason, or has been detained for want of attendance or lack of required credits as specified or who has failed after having undergone the degree program, may be considered eligible for readmission to the same subjects/ courses (or equivalent subjects/ courses, as the case may be), and same CBCS pool subjects (or from set/category of CBCS pool suggested, as the case may be) as and when they are offered (within the time-frame of 8 years from the date of commencement of student's first year first semester).

15.2 In case of transferred students from other Universities, the credits shall be transferred to Malla Reddy University (MRU) as per the academic regulations and course structure of the Malla Reddy University (MRU) for establishing equivalence.

16.0 Minimum Instructional Days

The minimum instructional days for each semester shall be 90 days.

17.0 General

17.1 Wherever the words he, him, his, occur in the regulations, they include she, her, hers.

17.2 The academic regulation should be read as a whole for the purpose of any interpretation.

17.3 In case of any doubt or ambiguity in the interpretation of the above rules, the decision of the academic council is final.

17.4 The University may change or amend the academic regulations, course structure or syllabi at any time, and the changes or amendments made shall be applicable to all students with effect from the date notified by the academic council of the University

17.5 The students seeking transfer to Malla Reddy University (MRU) from various other Universities/Institutions, have to pass the failed subjects which are equivalent to the subjects of prescribed curriculum of the University, and also pass the subjects of prescribed curriculum of the University which the candidates have not studied at the earlier Institution on their own without the right to sessional marks. Further, though

the students have passed some of the subjects at the earlier institutions, if the same subjects are prescribed in different semesters of prescribed curriculum of the University, the candidates have to study those subjects in prescribed curriculum of the University in spite of the fact that those subjects are repeated.

MALPRACTICES RULES

DISCIPLINARY ACTION FOR / IMPROPER CONDUCT IN EXAMINATIONS

S No	Nature of Malpractices/Improper conduct *If the candidate:*	Punishment
1. (a)	Possesses or keeps accessible in examination hall, any paper, note book, programmable calculators, Cell phones, pager, palm computers or any other form of material concerned with or related to the subject of the examination in which he is appearing but has not made use of (material shall include any marks on the body of the candidate which can be used as an aid in the subject of the examination).	Expulsion from the examination hall and cancellation of the performance in that subject only.
(b)	Gives assistance or guidance or receives it from any other candidate orally or by any other body language methods or communicates through cell phones with any candidate or persons in or outside the exam hall in respect of any matter.	Expulsion from the examination hall and cancellation of the performance in that subject only of all the candidates involved. In case of an outsider, he will be handed over to the police and a case is registered against him.
2.	Has copied in the examination hall from any paper, book, programmable calculators, palm computers or any other form of	Expulsion from examination and cancellation of the performance in that subject and all other subjects the candidate has already appeared including

	material relevant to the subject of the examination (theory or practical) in which the candidate is appearing.	practical examinations and project work and shall not be permitted to appear for the remaining examinations of the subjects of that Semester.
3.	Impersonates any other candidate in connection with the examination.	The candidate who has impersonated shall be expelled from examination hall. The candidate is also debarred and forfeits the seat. The performance of the original candidate who has been impersonated, shall be cancelled in all the subjects of examination (including practicals and project work) already appeared and shall not be allowed to appear for examinations of the remaining subjects of that semester. The candidate is also debarred for two consecutive semesters from class work and all University examinations. The continuation of the course by the candidate is subject to the academic regulations in connection with forfeiture of seat. If the imposter is an outsider, he will be handed over to the police and a case is registered against him.
4.	Smuggles in the Answer book or additional sheet or takes out or arranges to send out the question paper during the examination or answer book or additional sheet, during or after the examination.	Expulsion from the examination hall and cancellation of performance in that subject and all the other subjects the candidate has already appeared including practical examinations and project work and shall not be permitted for the remaining examinations of the subjects of that semester. The candidate is also debarred for two consecutive semesters from class work and all University examinations. The continuation of the course by the candidate is subject to the academic regulations in connection with forfeiture of seat.
5.	Using objectionable, abusive or Offensive language in the answer aper or in letters to the examiners or writes to the examiner requesting him to award passes marks.	Cancellation of the performance in that subject.
	Refuses to obey the orders of the Chief Superintendent/Assistant	In case of students of the university, they shall be expelled from examination halls
6.	Superintendent / any officer on duty or misbehaves or creates disturbance of any kind in and	and cancellation of their performance in that subject and all other subjects the candidate(s) has (have) already appeared

	around the examination hall or organizes a walk out or instigates others to walk out or threatens the officer-in charge or any person on duty in or outside the examination hall of any injury to his person or to any of his relations whether by words, either spoken or written or by signs or by visible representation, assaults the officer- In – charge, or anyperson on duty in or outside the examination hall or any of his relations, or indulges in any other act of misconduct or mischief which result in damage to or destruction of property in the examination hall or any part of the University campus or engages in any other act which in the opinion of the officer on duty amounts to use of unfair means or misconduct or has the tendency to disrupt the orderly conduct of the examination.	and shall not be permitted to appear for the remaining examinations of the subjects of that semester. The candidates also are debarred and forfeit their seats. In case of outsiders, they will be handed over to the police and a police case is registered against them.
7.	Leaves the exam hall taking away answer script or intentionally tears of the script or any part thereof inside or outside the examination hall.	Expulsion from examination hall and cancellation of performance in that subject and all the other subjects the candidate has already appeared including practical examinations and project work and shall not be permitted for the remaining examinations of the subjects of that semester. The candidate is also debarred for two consecutive semesters from class work and all University examinations. The continuation of the course by the candidate is subject to the academic regulations in connection with forfeiture of seat.
8.	Possess any lethal weapon or firearm in the examination hall.	Expulsion from the examination hall and cancellation of the performance in that subject and all other subjects the candidate has already appeared including practical examinations and project work and shall not be permitted for the remaining examinations of the subjects of that semester. The candidate is also debarred and forfeits the seat.
9	If student of the University, who is	Student of the University expulsion from the

	not a candidate for the particular examination or any person not connected with the University indulges in any malpractice or improper conduct mentioned in clause 6 to 8.	examination hall and cancellation of the performance in that subject and all other subjects the candidate has already appeared including practical examinations and project work and shall not be permitted for the remaining examinations of the subjects of that semester. The candidate is also debarred and forfeits the seat. Person(s) who do not belong to the University will be handed over to police and, a police case will be registered against them.
10	Comes in a drunken condition to the examination hall.	Expulsion from the examination hall and cancellation of the performance in that subject and all other subjects the candidate has already appeared including practical Examinations and project work and shall not be permitted for the remaining examinations of the subjects of that semester.
11	Copying detected on the basis of Internal evidence, such as, during evaluation or during special scrutiny.	Cancellation of the performance in that subject and all other subjects, the candidate has appeared including practical examinations and project work of that semester examinations.
12	If any malpractice is detected which is not covered in the above clauses 1 to 11 shall be reported to the University for further action to award suitable punishment.
